The Flu & You:

Steps to Assure Community Health

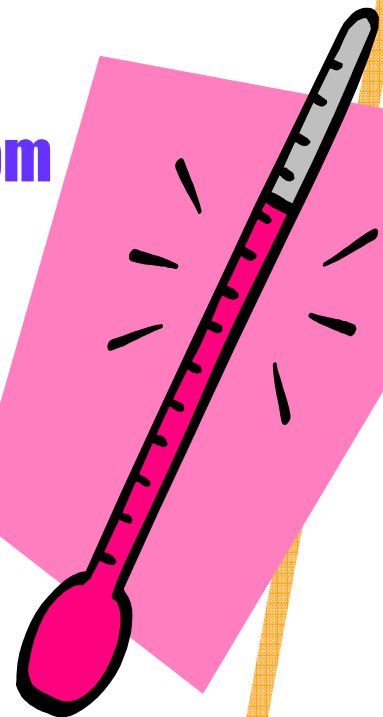

A panel discussion on efforts to prevent the spread of illnesses such as the Swine Flu and other health issues.

Wednesday, May 13, 6 p.m.

**Cd'A Public Library Community Room
702 E. Front Ave.**

Panel will include representatives from local agencies responsible for protecting public health and responding to potential health emergencies.

Questions can be submitted to the panel in writing and in person.
